

Instructions for AGS Data Collection – end of Quarter 2, 2021

For businesses that AGS has created online profiles for.

1. Log in at <https://imars.agsprogramme.org/> using your email and the password provided to you. Please save the password somewhere safe to ensure your access to the platform in the future, as well.

In the future, if you would like to change the password to something you remember better, you can be in touch with the AGS technical support team at help@agsprogramme.org.

2. Click “Submit Data to AGS” on the left-side navigation bar.

3. Click “Submit Data to AGS” in the top right corner.

4. Select Quarter 2 follow-up data as Type of Data

Type of data entry (please choose from the drop down list)

Submission date

5. Answer all questions in the form truthfully and submit the data.
6. In case you have any questions or concerns, please contact the BDS provider / trainer assigned to support you.

Thank you very much for participating!
